Prayer at the beginning of the day:

Help me, Lord, to greet this day in peace. Let me rely on Your holy will in all I do at each hour of the day. Bless all the people whom I shall meet, and teach me to accept everything that happens today with peace of soul and the conviction that Your will governs all.

Guide my words and acts, my thoughts and emotions, and let me not forget that the unexpected events are also Your doing. Show me how to act firmly and wisely, without angering or embarrassing others.

Give me the strength to bear the weariness of this day, together with the goodness You send. Direct my will, give me the grace of prayer, and pray Yourself within me. Amen
