Adult Study Group for Great Lent "Way of the Ascetics"

This (2022) Great Lent we will be using a small gem of a book called "Way of the Ascetics" as our text. The book is small but, drawing on the Holy Fathers of the Church, it is deep and rich. Are we hampered on our journey toward God's Kingdom? This book will help us cut off the things that hinder us. Is our prayer life on life support? This book will help us discover life-renewing prayer. Copies of "Way of the Ascetics" will be available free of charge to

those who attend the classes and to those who can't attend but would like to participate through home study. All participants should provide Reader John with their email address and request a copy of the book. We will create an email group and each week you will receive a short email note about the book. Responses, insights and questions can be posted back to the group. Your active participation will enrich your experience of Great Lent and perhaps help other participants on their journey. Let us begin our journey to Pascha together.
